What were the circumstances that caused you to initially look for a financial adviser?

We used Nick to buy our first home and then again when we were ready to move again.

How has Nick helped you?

This is the second time we've used Nick and his team and we had no hesitation in contacting him again to help us when we sold our property to buy a new one. His expertise and advice are second to none and he goes beyond the extra mile to get the best outcome for us. We really couldn't have done either move without him!

Have you seen the outcome you were hoping for?

Absolutely!

What could they have done better?

What were the circumstances that caused you to initially look for a financial adviser?

Myself and my boyfriend are first time buyers and had no idea where to start when it came to mortgage advisors. We found Nick on Google, he was local and his website was clear and informative. We sent an email and Nick responded quickly and we took everything from there.

How has Nick helped you?

Nick was so patient with us as first time buyers and explained every single step of the process. He answered every single question we asked and was friendly and knowledgeable. We had our mortgage secured within 3 months and thats all thanks to Nicks hard work and dedication! Kasia also supported us in finding insurance for our first home and was equally as knowledgeable, kind and helpful.

Have you seen the outcome you were hoping for?

Yes, our mortgage was sorted and in place within 3 months of contacting Nick.
